HOW TO REACH US

BRESCIA OFFICE

EXPERIMENTAL ZOOPROFILATTICO INSTITUTE
OF LOMBARDY AND EMILIA ROMAGNA
"BRUNO UBERTINI"
PUBLIC LAW HEALTH ENTITY

The Brescia office has a driveway entrance in via A. Bianchi 9 while the pedestrian entrance is in via Cremona n.284.

The entrance on Via Cremona has a car park with 9 spaces.

Once all the spaces are filled, you can use the parking lot located to the left of the entrance on Via A. Bianchi n.9.

from the railway station on foot

- exit from the back of the station via an underpass which exits on via Sostegno
- continue left for about 600 m along Via Sostegno
- turn right onto Via Cremona
- go past the roundabout with via Repubblica Argentina/via Cefalonia continuing straight on via Cremona until reaching number 284

from the railway station by subway

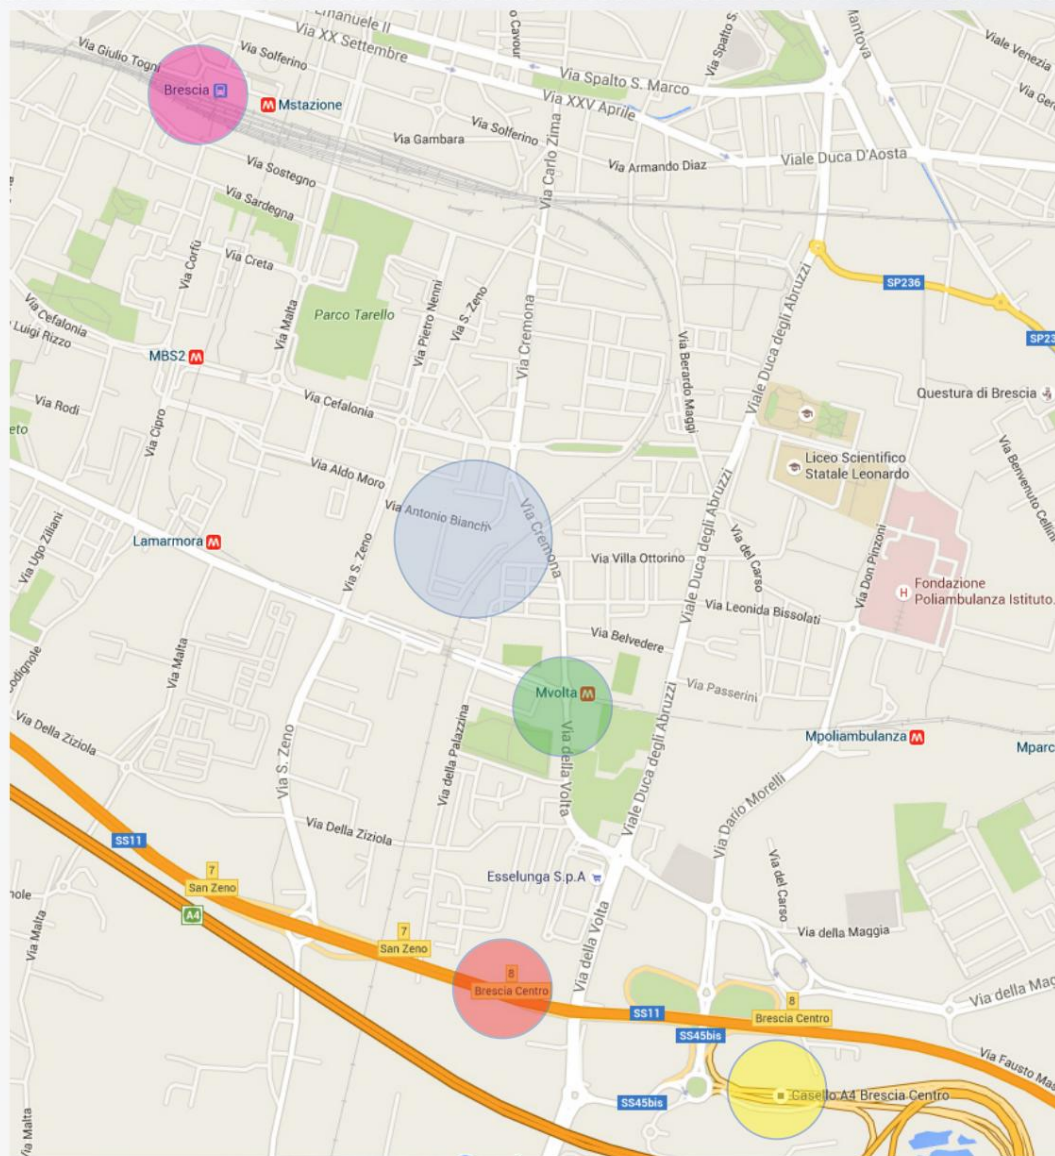

- Once you leave the railway station, go to the nearby train station Metro, eastbound on Viale della Stazione towards Via Vincenzo Foppa
- take the Metro towards S.Eufemia for 3 stops
- get off at the "Volta" station
- Once you exit the metro station, take Via della
- Turn, to the right
- continue straight on, into Via Cremona
- pass the level crossing, the entrance to via Cremona n.284 it's the gate immediately on the left

from the railway station by bus

- Once you leave the station, turn left from the square into via Vincenzo Foppa, cross via Solferino and turn right on XX Settembre Street
- continue to n.38 and take line 2 (Pendolina-Chiesanuova) for 7 stops
- get off at the "Sperimentale" stop (via Cremona n.284)

with BICIMIA (<https://bicimia.bresciamobilita.it>)

- for those arriving in the city by train, bus or with their own car, there is the possibility of using a BICIMIA bicycle
- the BICIMIA stations, located in various points of the city are usable through the Omnibus Card
- the BICIMIA "Zooprofilattico" station is located in via Cremona, adjacent to the entrance of the IZSLER

from the MI-VE-BS motorway by car

- motorway exit "Brescia centro"
- continue towards the city centre
- turn left onto via Borgosatollo
- continue at the roundabout on Via della Volta
- continue straight, at the roundabout with via Lamarmora, along via Cremona
- after the level crossing the entrance is at number 284

The car park has a limited number of spaces; if there are no more parking space is possible, instead of entering at number 284, turn left into via A. Bianchi and continue until number 9 where it is possible to use the parking located to the left of the entrance

from the southern ring road by car

- exit towards the city centre - via S.Zeno
- continue along Via S.Zeno
- after passing the roundabout with via Lamarmora (ref. Centrale del Latte) continue for another 200 m
- turn right (ref. Carabinieri Barracks) into via A. Bianchi,
- continue, skirting the gates of the Institute, until at the entrance to Via Cremona
- turn right and enter at number 284

The car park has a limited number of spaces; if there are no more parking space is possible, instead of entering at number 284, turn left into via A. Bianchi and continue until number 9 where it is possible to use the parking located to the left of the entrance

from the "Volta" Metro stop on foot

- Once you exit the metro station, take Via della
- Turn, to the right,
- continue straight on, along Via Cremona,
- cross the level crossing, the entrance to Via Cremona 284 is the gate immediately on the left
